This fully licensed wine bar and restaurant premises enjoys a prime central trading position in the heart of the major South Devon city of Plymouth. It is located adjacent to the city's main shopping centre and, as one would expect, there is a full and varied selection of businesses represented nearby, including Cineworld [the new multi-screen cinema complex] which should certainly help ensure the continued popularity and viability of the area in future years.

Plymouth, with a population of over 250,000 is the largest city in the West Country. Largely rebuilt since World War II it is now a thriving industrial and commercial centre and is still one of the Royal Navy's principal base and warship repair dockyards. The city has excellent educational, recreational and entertainment facilities and access to the rest of the country is gained by road via the A38/M5 motorway and by rail. Europe is also accessible by the car/passenger ferry which is operated from its terminal at Millbay Docks.

The premises are lock-up and comprise an attractive and well appointed wine bar and restaurant area to the ground floor, together with a charming lower ground floor dining area with kitchen and customer toilets. The business has recently closed and is in need of some refurbishment but offers excellent future trading potential and would suit a variety of catering styles. An early viewing appointment is highly recommended.
